Applications:

Front Lace Human Hair Wigs

Front lace human hair wigs are made of 100% human hair, which provides a soft and natural texture and a comfortable fit. With an adjustable strap and elastic band, they offer an adjustable fit that can be tailored to your specific needs. The lace color of these wigs is medium brown or transparent, and the density ranges from 130%-180%. Additionally, the front lace human hair wigs also feature baby hair around the perimeter for a natural look.

These glueless human wigs are perfect for a variety of occasions, such as a night out on the town, a special event, or simply to upgrade your everyday look.

Whether you want an HD lace wig human hair, a lace frontal ombre wig, or a classic look, these wigs are sure to provide you with the perfect style. The soft texture and comfortable fit of these wigs make them a great choice for any occasion.
