2) The hair material is original bulk hair , one bundle from one head , not mixed with other hair , so the hair cuticles face the same direction , absolutely tangle free during usage .

3) The hair quality is the best , can be dyed to any color , can be done to any style , can last very long time .

4) The hair is still alive . So feels like your own hair after put . looks very natural .

5) Although the hair strand is not very thin , it feels still very soft , not feel hard at all .

The hair is cut from young girls' head , one bundle bulk is sewed to one bundle weft . It is the Top Grade Brazilian Virgin Hair .
